"Computers in the future may weigh no more than 1.5 tons."
Popular Mechanics, forecasting the relentless march of science, 1949.

The introduction of the Hash House Harriers into Western Australia came through a group of ex-Hashers from Malaysia, Sydney and a few locals who decided that the 'Wait Awhile State' needed a new kind of madness. In late '69 several meetings took place with a hardy group of men:-

| | |
|----------------|----------------|
| Geoff Edwards | Peter Edwards |
| Lloyd Chrystal | Peter Albrecht |
| Peter Bradford | Mike Farrar |
| Russell Hume | Sandy Cooper |
| Ken Peters | Keith Winter |
| John Hammond | |

in Kings Park, probably with an esky and the sound of fat sizzling on the BBQ.

In February 1970, these men called themselves the Perth Hash House Harriers and so earmarked the history page for the first Hash in Western Australia.

Was it envisaged by this small group of Hashers that the slight ember of the fire that had sand thrown over it, someone pissed on and the old faithful comment "It'll burn out" would spread north, south and east and be allowed to run 7 days a week around Perth, 29 years later?

There is now one club in Western Australia with 1,500 runs, four other clubs with over 1,000 runs and others rapidly approaching these marks of history making events.

Western Australian Hash clubs have united together before to hold the '93 Nash Hash in Perth with a resounding success in the Fremantle Prison; the old guards did not know whether to shut the gate while the Hash clubs of Australia were out of the gates or inside them!

While each club has varying guidelines, the spirit of the Western Australian Hash House Harriers has remained intact, with several joint runs through the year and roaming Harriers running with other Hashes and bringing news of new ideas to enhance the Australian style of Hashing.

Now it is time for the west coast of Australia to grow again and present itself to the world as a Hash Resort. Pan Asia is the first International Hash event for Western Australian Hash and this will put another earmark in our history pages to ensure good Hashing is just a way life on the west coast of Australia.

The Sex life of an Electron

One night, when his charge was pretty high, Microfarad decided to seek out a cute coil to let him discharge.

He picked up Milliamp and took her for a ride on his megacycle over the Whetstone Bridge, around the line waves and stopped in a magnetic field by a flowing current.

Microfarad was attracted by Milliamp's characteristic curves and soon had her full charge and excited her resistance to a minimum.

He laid on the ground potential, raised her frequency and lowered her reluctance. He pulled his high voltage tube and inserted it in her socket connecting them in a parallel and began short circuiting her resistance shunt. Milliamp murmured, "Ohm, Ohm, Ohm".

With his tube operating at maximum and her field vibrating with current flow, it caused her shunt to over heat and Microfarad was rapidly discharged and drained of every electron.

They fluxed all night trying various connections and sockets until his magnet had a soft iron core and lost his field strength.

Afterwards Miulliamp tried induction and damaged her solenoids. With his battery fully discharged Micrifarad was unable to excite his field, so they spent the rest of the night reversing polarity and blowing each other's fuses!

Lesbian Cowboy

An old cowboy, dressed in a cowboy shirt, hat, jeans, spurs and chaps went to a bar, sat down, and ordered a drink. As he was sipping his whiskey, a young lady sat down next to him.

After she ordered her drink she turned to the cowboy and asked him, "Are you a real cowboy?"

He replied, "Well, I've spent my whole life on the ranch herding cows, breaking horses, and mending fences.... so I reckon I am."

After a short while, he asked her what she was. She replied, "I've never been on a ranch so I'm not a cowboy, but I am a lesbian. I spend my whole day thinking about women. As soon as I get up in the morning, I think of women. When I eat, shower, watch TV. Everything seems to make me think of women."

A short while later she left and the cowboy ordered another drink. A couple sat down next to him and asked, "Are you a real cowboy?"

He replied, "I always thought I was, but I just found out that I'm a lesbian."

"I think there is a world market for maybe five computers."

WEST AUSTRALIAN
HASH HOUSE HARRIERS

Perth Hash was formed towards the end of 1969 when a group of ex-Hashers from Malaysia and Sydney decided to inflict a new form of madness on the "Wait Awhile State". Several meetings resulted in a very hardy group consisting of:

| | | |
|----------------|----------------|----------------|
| Geoff Edwards | Peter Edwards | Lloyd Chrystal |
| Peter Albrecht | Peter Bradford | Mike Farrar |
| Russell Hume | Sandy Couper | Ken Peters |
| Keith Winter | John Hammond | |

meeting in Kings Park to introduce Hash to Perth.

PH3 staggered along for the best part of a year with numbers ranging from around 15 participants, to 25 at tops, until some decided running and drinking was good for the health of the nation and PH3 grew quite rapidly to a point where various committees attempted to limit numbers to 30, then 50, then 70, then gave up.

Our H3 pub, "The Floreat", was very generous in dispensing a regular supply of free jugs to this crazy bunch that descended upon them every couple of weeks to partake of the hospitality offered by "mine host".

The "boys in blue" were more tolerant in those days and generally accepted the crazy group of Hashers who had arrived in the West. After the "on on" at the pub, the ever thirsty and suffering Hashmen generally moved to some unfortunate's pad with a suitable quantity of amber fluid and snags to start a BBQ, usually around 11pm. This was sometimes coupled with a game of golf in the house i.e. putting golf balls throughout the rooms

of the unfortunate's house to reach the various greens (which were usually handkerchiefs). A hangover Tuesday was unconditionally guaranteed.

Highlights of PH3 are too numerous to list but I think that our first Spring Run, as set by Peter Pittendrigh and Son of Geoff, must rate a mention for its 5 hour duration and the very near decimation of PH3 in Perth. The run required the runners to enlist with SAS, to be extremely competent in map reading, swimming, learning to live off the land and to survive in the hostile environment around Darlington with no food or water!!

The club's 200th run was also a first, with a train ride, a bus ride, two swims across the Swan River resulting in our one and only near fatality when a virgin runner decided to cross the Guildford Railway Bridge instead of risking his neck in the river.

The formation of Perth Hash put the city on the world map of Hash and makes it one of the oldest Hashes outside of South East Asia.

And now, 28 years and 1,500 runs later, Perth Hash is still going strong, with a membership of over 100 and a regular Monday night pack of about 60.

We welcome the chance of catching up with old and new Hashers from around the world, and invite Hashers from all clubs to join us in Perth for Pan Asia Hash '99.

Our club, commonly referred to as "Bully", started out 21 years ago on the 16th January 1978 as a Hash to serve the Airforce community at Pearce Airbase located in the Bullsbrook East area north of Perth. Most runs nowadays are set in Perth's near northern suburbs, as the majority of runners are now non-military. The core of the club in the beginning was a small number of Airforce types recently returned from SE Asia and homesick for the Hash.

EXCERPT FROM FIRST GM'S (SMILIN' JIM) REPORT
DECEMBER 1978

"An AGM is a time when the past year's events are reviewed with formal reverence and informal ceremony. To start at the beginning, who started Bullsbrook Hash? I understand that there have been many failed attempts in the past, but most credit for launching Bullsbrook Hash beyond the talking stage must go to Doglover. He had spent the previous couple of years in Butterworth,

painfully educating his missus that Monday was a four letter word: "HASH". To be at home every Hash night was a torture not to be endured."

We run every Monday (Tuesday when Monday is a public holiday) at 6.30pm (18:30 hrs) and the traditional format is followed. A 40-60 minute run, refreshments, circle and mash in that order. We provide good beer, food, fun, company and visitors are very welcome. We often join with the many other clubs in Perth for joint runs and anniversaries throughout the year. In fact, back in '78/'79 we strongly supported (not literally) the Perth Harriettes in their early days as a club and also provided a co-hare, beer, mash and string section choir for Hamersley Hash's inaugural run on the 13th November 1978 (hares Gropenis H4 and Fitzall BH3).

Our 1,000th run was on 2 November 1996 and we are happily headed for 2,000 - See you there!

WEST AUSTRALIAN HASH HOUSE HARRIERS

The Perth Harriettes were started 21 years ago on Sunday, 16th July 1978. Wes 'Old Wares' Carter and Tess Bell were the instigators. Advertisements in the personal column of the Sunday Times and invitations to Perth Harriers' better halves resulted in a pack of an even dozen. Sarge is the only member of that pack still running regularly, Shoelaces occasionally joins the pack and Holly Edwards came out of retirement for the 1,000th run.

The phrase 'Where Bosoms Bounce Best' was coined on that first run, with Old Ware's shins still bearing the scars of the reaction to that (at the time) very sexist remark!

The Harriettes are well known for their ability to put on a fantastic show – not only annual events but special events and Hash trips – local, interstate and international. The impeccable co-ordination and style of our haberdash is also recognised world wide.

Since the first run a lot has changed – the run is now on Tuesdays at 7pm, the pack has increased to 30+ and the sexist remark has been updated to 'Where Boobs Bounce Best' and is used as the club motto!

Long may our boobs bounce!

Comprehending Engineers

Two engineering students were riding their bicycles across campus when one said, "Where did you get such a great bike?"

The second engineer replied, "Well, I was walking along yesterday morning minding my own business, when a beautiful woman rode up on this bike. She threw the bike on the ground, took off all her clothes and said, 'Take what you want'."

The first engineer nodded approvingly, "Good choice; the clothes probably wouldn't have fitted."

A Kasher's Prayer

*Our larger
Which art in Barrels;
Kallowed be thy drink.
Thy will be drunk
At home as at Hash.
Give us this day our foamy head,
And forgive us our spillage,
As we forgive those who spill against us.
And lead us not into incarceration,
But deliver us from Hangovers.
For Thine is the beer; The Bitter and The Larger.
Forever and ever,
Barman!*

Born of the armpit of Perth Hash and the boots of Bullsbrook, a group of misfits named Growie, Duffield, Hughes, Pease and Gasson pooled their limited intellect and formed the Hamersley Hash House Harriers.

The 13th November 1978 was to become an important hysterical Hash event. The club held its first run and grew quickly with its strength based on mateship, tradition and respect for the Grand Master as the leader of the club.

HAMERSLEY has continued to gain fame throughout the Hashing fraternity with spectacular acts at major events and the quality of its home grown club songs.

Our traditions are many and varied and include anniversary hats and badges, all presented with due aplomb. HAMERSLEY rigorously follows the tradition of a Hash circle. These are a frenzy of spontaneous wit and activity which includes wanker of the week, ice, fire, charges, down downs and songs, not to mention free flowing 'amber nectar' from the famous club trailer.

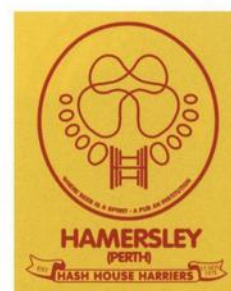

This dynamic club, blessed with the H4 symbol,

has grown to become one of the premier clubs of Australia.

Throughout the years the fame of HAMERSLEY has spread far and wide. Notable events include the Casino Caper, the Diggers Night, the AGM and the annual Palace Run.

HAMERSLEY Hash acts are recognised throughout the world, from the diminutive beginnings back at Jakarta Interhash 1982, when Gunny performed HAMERSLEY'S first act and got dumped in the shiggy pit. Since then HAMERSLEY have set a high standard with the 'Hamersley Harlots' in Pattaya, 'The Red and White Menstrual Show' in Bali, 'Hashman' in Manila, 'The Phantom of the Interhash' in Phuket, 'The Village People' in Rotorua and of course 'Grease' in KL.

With the strength born of continuing evolving committees, and in keeping with the best democracies (a Grand Master is restricted to one term) HAMERSLEY will continue to build on its strength and provide a paradigm of perversity in a sadly serious world.

WEST AUSTRALIAN HASH HOUSE HARRIERS

Founded on 27th June 1982 by John Pratt (First Grand Master), who learned his Hashing with Little Sai Wan Hash in Hong Kong.

We are a family Hash based in the Hills around Mundaring, east of Perth, Western Australia. Runs: Sunday, 4pm in winter and 5PM in summer. Duration is usually 40 to 50 minutes.

Traditional post-run activities are modified in deference to the family aspect of our Hash, but beer, wine and soft drinks are provided on a pay for what you drink basis. There are no membership fees, but runners pay \$1 a run and

we hold a raffle which goes towards a free Christmas bash. Run reports and upcoming locations are usually printed in the local Hills Gazette newspaper.

Wanneroo Hash House Harriers was established by Peter (Steele) Wayne and Mick Brisley, both ex-Hong Kong Hash, in February 1983. Initial response to advertising was 4, but the ranks soon swelled to 50. Our first Grand Master was Mick Brisley.

We are a FAMILY HASH (brats most welcome), so our runs take the form of a gentle for the energetic and a brisk walk for the rest. A short

run is always set for our younger and feebler members and most are set from parks to keep the kids amused after the circle. New members and visitors are always welcome.

During the year we have a few picnic days and weekend camps which are heaps of fun. Quite a few christenings have occurred during a camp and lots of tales have been told afterwards.

House Harriers

As the only surviving founder member, it is appropriate that I should record how we were founded.

The local traffic policeman, Sergeant Wayne McCurry, suggested that we place an advertisement in the local paper for anybody who was interested in running with the new Mandurah Hash club and if so, they should turn up at his place for the inaugural run.

It turned out to be a cold and windy night, but 13 males turned up; 11 of them did not have a clue of what to expect since they had never heard of the Hash House Harriers. Needless to say, the night was a real funny one and unfortunately none of them are left to read this.

So it came to pass that the Mandurah Hash House Harriers club was born on the 17th April 1986. I will never forget that night because it changed my social life forever.

We have never missed a weekly Hash run since the day we started, even when that day has fallen on Christmas Day.

We have had a lot of memorable events since our inaugural run and it would take up too much space to list all of them. The one that really stands out amongst the rest happened on our 27th run way back on the 18th October 1986.

We had been snubbed by the local council in being part of the festivities for the opening of the new bridge across the Estuary, so we invited ourselves along with a large contingent of Perth clubs that came down for the event. We had about 100 Hashers lined up, and as the Premier of Western Australia, Brian Burke, approached the microphone to officially open the bridge, we gatecrashed the tape before he could cut it.

With the sound of blowing horns and everyone calling 'on on', it was a day the local council will never forget or forgive.

The next day the headlines in the Sunday Times 'Harriers Beat Burke across the Estuary' was good reading and we hadn't even turned one yet.

WEST AUSTRALIAN HASH HOUSE HARRIERS

TIME: Sometime in November 1989.
PLACE: Somewhere in the northern suburbs of Perth.
CAST: A small mob of Hashpersons, all suffering from over indulgence in non-prescription medicine.

"What Perth needs is a PROPER Mixed Hash!"
"Yeah!"
"No!"
"Who cares?"
"Whose shout?"

And so it came to pass that on the 1st December 1989 FRIDAY HASH (by RAMBO out of WEDLOCK) was born.

Ten years ago, Warwick H3 was started by Wobble Wobble and Garfield Cross from their home in Dorchester Avenue, Warwick. The first Hashers in the club were mainly friends and relatives, including their young son Dags.

Over the years Warwick H3 have been involved in any fun run that was happening in Perth, including relay teams in the Mundaring to York event, City to Surf and the Bridges Fun Run.

We have had teams in the Blackwood Marathon

The seed for RCH3 was planted in February 1992 when BULLBAR and WONDER WOMAN (Paul and Lindy Ellis), DOGLOVER and H4 (Doug and Helen Oliver) met to discuss their interest in Hash House Harriers. All had run with other clubs before, with DOGLOVER having chalked up over 20 years of Hashing, much of which was with Bullsbrook H3. BULLBAR had his appetite whet by running with Mandurah H3 and wanted to continue in the Rockingham area.

RCH3 was given birth to on 10th March, 1992 with 21 runners being introduced to the secret

Now, with more than 2,500km under the Nikes, 45,000 cans of carbohydrate loading, 1,000 litres of mulled wine in the fuel tank and 4,500 kg of tucker over the BBQ, FH3 is well and truly a part of the West Australian Hash scene.

Runs start at 7.00pm all year round, on a BYO barbie and pay for your piss basis.

A mixed Hash which runs from 45 minutes to an hour (generally) designed to accommodate the less efficient participant as well as the medal chaser. We have numerous social events throughout each year to round out the calendar and visitors are always welcome.

and individuals participating in many, many triathalons. At the moment we have a few Hashers who participate in the marathons, 1/2 marathons and relay events.

Warwick H3 caters for walkers and runners to all end up at the On On for an enjoyable night.

Our club is a mixed Hash of all sexes and ages and we run mainly in the northern suburbs of Perth.

rituals of H3. Mandurah H3 turned up to offer their support and the run was set from DOGLOVER'S den. Shortly after, RCH3 wore their famous iridescent yellow/green T-shirts, which have now become their trademark throughout the Hash Universe. RCH3 are now nearing their 400th run.

The club is mixed and meets every Tuesday at 6-30pm at various places around Rockingham/Kwinana with an average turn up of around 30 to 40 runners.

Members of the committee

Many people are at a lost for a response when someone says, "You don't know Jack Schitt".

Now you can handle the situation.

Jack is the son of Awe Schitt and O. Schitt. Awe Schitt, the fertiliser magnate, married O. Schitt, owner of Knee Deep In Schitt Inc. In turn, Jack Schitt married Noe Schitt and the religious couple produced 6 children: Holie Schitt, the twins, Deep Schitt and Dip Schitt, Fulla Schitt, Giva Schitt and Bull Schitt, a high school drop out.

After being married for 15 years, Jack and Noe divorced. Noe later married Mr. Sherlock and because her kids were living with them she wanted to keep her previous name. She was known as Noe Schitt-Sherlock.

Dip Schitt married Loda Schitt and they produced a cowardly son, Chicken Schitt. Fulla Schitt and Giva Schitt were inseparable throughout childhood and consequently married the Happens brothers in a dual ceremony. The Schitt-Happens' had children Dawg, Byrd and Horse.

Bull Schitt, the prodigal son, left home to tour the world. He recently returned with his wife, Pisa Schitt.

Now when some says to you, "You don't know Jack Schitt", you can correct them and say, "Yes I do".

A new guy in town walks into a bar and notices a very large jar behind the bar. It's filled to the brim with ten dollar bills. The man guesses there must be thousands of dollars there. He approaches the bartender and asks him: "What's up with the jar?"

Bartender: "Well, you pay ten dollars and if you pass three tests then you get all of the money."

Man: "What are the three tests?"

Bartender: "Pay first. Those are the rules."

So the guy gives him the ten bucks and the bartender adds it to the jar with the other bills.

Bartender: "Ok, here's what you have to do. First you have to drink that whole bottle of pepper tequila, the WHOLE thing at once AND you can't make a face while doing it.

Second, there's a pit bull chained up out back with a sore tooth... you have to remove it with your bare hands.

Third, there's a 90 year old woman up stairs who's never had an orgasm in her life. You gotta make things right for her."

Man: "Well, I know I've paid my ten bucks but I'm not an idiot, I won't do it. You have to be nuts to drink a bottle of pepper tequila and they get crazier from there.

Bartender: "Your call. But your money stays in the jar."

Well, as time goes on and the man drinks a few, he asks, "Wherez zat teeqeelah?"

He grabs the gallon of tequila with both hands, and downs it with a big slurp.

Tears are streaming down his cheeks but he does not make a face. Next he staggers out back and soon all the people inside hear a huge scuffle going on. They hear barking, screams, yelps and growling, and eventually silence.

Just when they think the man must surely be dead, he staggers back into the bar, his shirt ripped and big scratches all over his body.

"Now," he says, "where's that woman with the sore tooth?"

"The abdomen, the chest and the brain will forever be shut from the intrusion of the wise and humane surgeon."

WEST AUSTRALIAN HASH HOUSE HARRIERS

Back in 1991, a group of intrepid Hashers from various clubs decided that in addition to their weekly Hash run another cutting was necessary (can you believe it!).

After looking at several possible sites it was concluded that the most convenient for all concerned would be around the bridges - hence the name. This 10km course takes in the Narrows Bridge and causeway with some of the best scenery Perth can offer.

Originally the run commenced from Mends Street on the South Perth side of the river.

Unfortunately one evening several of our cars were vandalised, and as a consequence it was decided to shift our location to the Tatts Club where we have been made most welcome.

The run usually commences at 6.00pm, with most runners completing the bridges in around 50-55 minutes. However times have changed, with some of our members walking and the running time now way over the hour (so what!!!).

Many years ago, in fact around 10 years to be approximate, there was a group of runners that met on a Saturday morning at no particular time at the ocean front near Hillarys Boat Harbour. They did this to keep fit for up and coming fun run events, and included in this lot were the likes of Mac, Mase, Popeye, Jo Jo and others yet to be named.

It was not long after this that other runners decided to join in and made the day start of a Saturday morning from the car park at the Quay. Shortly after this 2 Dogs made comment to Stupid that we should make this a Hash club with a difference:

NO FEES AND NO SET RUNS.

2 Dogs set about getting a Hash book and from there things took place. It was decided amongst the current group the summer runs would start at 6.30am and the winter runs at 7.00am. The first GM thrown into power was Jo Jo, who after a short time moved East and was followed by the notorious Hamersley aviator Biggles, who began to bring the group into line. The motto became: We Run, We Swim, We Eat, We Drink, We Go Home.

The runs would always be the same trail along the coast and would venture anywhere from 5-20kms, but as time has taken its toll the majority of runners now restrict themselves to 10kms or less and some only go for breakfast.

The original meeting place was the Quay Café for a cuppa, which developed over time to a full on breakfast and champagne. As the numbers increased so did the noise and the frivolity until

As members of the Tatts Club, we are entitled to use the club's facilities which include, bar, pool gym, sauna, spa and showers (all very civilised).

Over the years the members have varied from a maximum of about 25 to about 15 who attend on a regular basis. Most members have completed at least 150 runs, with some well over 200. Over the years club members have used the run for training to participate in other fun runs such as 'City to Surf' and 'Round the Bridges'.

In addition to our normal run, new trails have been established to give members a more diversified choice of runs each week. These runs include: Kings Park run - 15 kms, Burswood Bridge run - 7.8 kms, Claisebrook - mostly for walkers - 5 kms and Yagan's run - 5 kms.

Whilst most members continue to run with other Hash clubs, Bridges H2O continues to provide a great alternative for those wishing to do a little extra.

several years ago we were asked to move on (indirectly), re-establishing at the Italian Café where the food is better, with special prices for SATT Hash, and the staff are friendly. There have been occasions where up to 50 people have joined in the fun for breakfast.

OUR MOTTO (has altered slightly overtime):

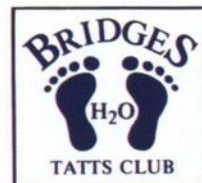

WE RUN: Start time 6.30am sharp. Runs are from 10-20kms, whatever the body can stand, but now we take runners, walkers, cyclists and those who don't run at all. We are proud to say a runner has never been lost!!!

WE SWIM: Initially everybody swam all year round, but now there are those who brave the water always, those who swim in summer and even more who watch from the shore's edge.

WE EAT: Nearly everybody joins in the best part of the day, with the numbers consistently in the 30s, and brought into line by our current poetic GM (Rooted).

WE DRINK: These days mainly OJ and cappuccino, with champagne on the special run occasions and birthdays.

WE GO HOME: For the majority this applies, but as for all typical Hash people there are the breakaway groups, and included with this is the notorious GASH group (Golf after Satt Hash). The theme for Satt Hash has always been the same: It's a great way to start the weekend if you can make the effort to get out of bed - when you're sitting back in the comfort of the Italian Café overlooking the water enjoying a hot meal and great mates, you can't help thinking there could be no better place on earth.

A fellow passed a house with a red light burning in front, so he stepped inside. There was nobody in sight, and nothing there but an empty hallway, with 2 doors reading "Over 35" and "Under 35".

He decided to be truthful and entered the door that said, "Over 35".

He found himself in another empty hallway, this one with 2 doors that read, "Over 8 inches" and "Under 8 inches".

Truthful again, he went through the "Under 8 inches" door and found himself in another empty hallway, with 2 more doors reading, "Once a night" and "Over 3 times a night".

Still wanting to be truthful, he entered the door marked "Once a night" and found himself back out on the street.

The moral of this story is: "If you always tell the truth then you'll never get screwed".

WEST AUSTRALIAN HASH HOUSE HARRIERS

TIME & PLACE: Hamersley's AGM
Monday, 15th November 1993.

MARBLES: "Geez Bigs, now that you've turned 50, do you think that you may consider giving up running?"

BIGGLES: "Well, as long as we can continue to stand we should keep going; in fact I think we should start a club for all the old bastards."

MARBLES: "That's not a bad idea and if it is limited to Hashers over 50, I could join come next April."

BIGGLES: "OK, we can start next May a club to cater for us oldies of Hamersley."

MARBLES: "You can be the Grand Master and I can be On Sec."

BIGGLES: "As we will still be running Hamersley we can't make it a Monday, and rather than stuff ourselves completely we should not make it a weekly occurrence."

MARBLES: "What about once a month, on the last Tuesday of the month, and make it that we pick up an extra run every 2 years so that the AGM coincides with anniversary runs?"

BIGGLES: "And we could call ourselves HOSH - being Hamersley Oldies Still Hashing."

MARBLES: "That's it. Now if we want numbers will we restrict it to only over 50s."

BIGGLES: "We could always have trainees say over 45, who could be our juniors until they have matured enough to fulfil the function as a Hoshier."

MARBLES: "OK, but they would have no voting rights and be kept away from official functions unless specifically invited."

BIGGLES: "It's agreed then. Let's spread the word and we will see what comes of it."

TIME & PLACE: 6.20pm Biggles' house
Tuesday, 24th May 1994.

BIGGLES: (Thinks) "I hope the fuck some of these Hamersley pricks turn up. I've got a whole lot of food for them. Thank God I told them to bring their own piss or I may be left with a whole lot I will have to finish myself."

Sounds like someone is coming. Yes, it's Precious, and it sounds like he brought some others with him. WWWWWWWhhhhhhaaattttt!!!! Sheilas!!!! We never counted on *them* coming along."

TEX & TINKER: "Your notice never said your new club was male only so here we are."

BIGGLES: "I guess I never figured that old boilers would still be running at this age."

The rest is now history. JR & Lobby (aka as 99) joined us on the night, it being their first ever Hash run, along with Tinker, Tex and 10 Hamersley men and Kamikaze (woof woof), many of them being junior members at the time. From then on we have gradually increased the senior ranks as the junior ranks diminish. Some members have come and gone, but most stay and our ranks keep increasing.

Our runs consist of two groups - the runners and walkers. Runs usually originate from the hares place of residence and that person supplies the food. Run fees are L2(\$4) per run that goes towards food and photos. We have two major runs in a year, being our Xmas Run and the AGM. At 25th May 1999 we were at run #63.

Our committee consists of a Great Grand Master (Re-titled on recommendation of Roo-Ted), On-Sec, 2Klaxonsø, Ancestral Advisor and a Sage. Because of our ageing years we sit during the circles, tell mainly old people type jokes, take memory pills for forgetfulness.... oh and of course we drink piss.

H.O.S.H. Hash House Harriers

The Club was started by Hash Blowie (Chris Hills) on February 6, 1989 with 5 brave runners. Busselton is the second club Blowie had started - he was one of the original magnificent seven who started Manjimup Hash on October 2 1987 under the guidance of Hash Tax (Ray Sullivan).

Busselton's family tree is traced back to Mother Hash by Busselton, Manjimup (WA), Kimbe (PNG), Angeles, Philippines and Mother Hash KL.

At the commencement of Pan Asia 1999, the club

has completed 568 runs with Hash Oil (530) and Hash Blowie (461) our run leaders (run leaders in numbers only of course - they tend to be found at the back of the pack these days!).

10 Hashers ventured to Interhash 1998 in Kuala Lumpur and we have 22 Hashers represented at Pan Asia. A further 8 will be attending Tasmania's Interhash 2000 in February.

Busselton Hash welcomes all Hashers far and wide and hope you enjoy your stay. We thank the organising Hash clubs for Pan Asia 1999.

WEST AUSTRALIAN
HASH HOUSE HARRIERS

The KBHHH is a family Hash based in the twin cities of Kalgoorlie-Boulder, approximately 600km east of Perth. We Hash on Sundays at 4pm, unless it's summer, in which case it's 5pm; unless it's a long weekend, in which case we Hash on the bank holiday Monday. We also Hash at 7pm on the Tuesday closest to the full moon, unless the moon gets up too late, in which case we Hash on the previous Tuesday. The KBHHH also sporadically meets on other special days (like ANZAC day, when the trail is set by the venerable Gallipoli), just to confuse you bastards even further. The KBHHH has a broken history, as it had a previous incarnation as the Kalgoorlie HHH, which lasted from 1978 to 1981. This mixed club was formed by John "Crook" Shepherd, who originally hailed from Paraburdoo HHH. Being organised at the time, they kept no records and their history is shrouded in mystery. The only remaining active KBHHHer from that period is the local Casino (read Bush Two-Up) Operator,

"Derrière"; but he claims to remember nothing... The second incarnation of the KBHHH (May 1st 1983 to the present) sprang from the dubious meeting of two beer sodden Hashers, namely Steve "Rocket" Rodgers (who hailed from Bunbury HHH) and Paul "Pills" Robson (of Paraburdoo HHH) and their respective spouses. Local drug-pusher, Pills, is still active in the KBHHH, and has amassed in excess of 400 Hashes, while the KBHHH passed 800 Hash mark on Halloween in 1998.

Kalgoorlie-Boulder
Hash House Harriers

South of Perth Hash, or SOPHASH as it is sometimes known, was formed by 8 breakaway runners from the Perth Hash in 1981. It is an all men Hash. Over the 18 years since, this 8 has grown to around 100 members on the books with a typical pack of around 55 runners. Run night is Thursday, with the run starting at 6:15 pm. The vast majority of runs are south of the Swan River, with the exceptional reluctant foray north to placate those wretched individuals who insist on living there.

badges or unclothed gender challenged people are provided.

During the summer months our preference is for bush runs, which sometimes means interminable sand tracks and dust. During the inclement dark evenings of winter we find ourselves predominantly following chalk in the suburbs.

We have recently celebrated our 900th run and are looking forward to the 1,000th.

To all you visitors to Perth for Pan Asia we would like to extend an invitation to run with us any time you like. Check out our web site at www.come.to/soph3 for run locations (and some smut from previous runs).

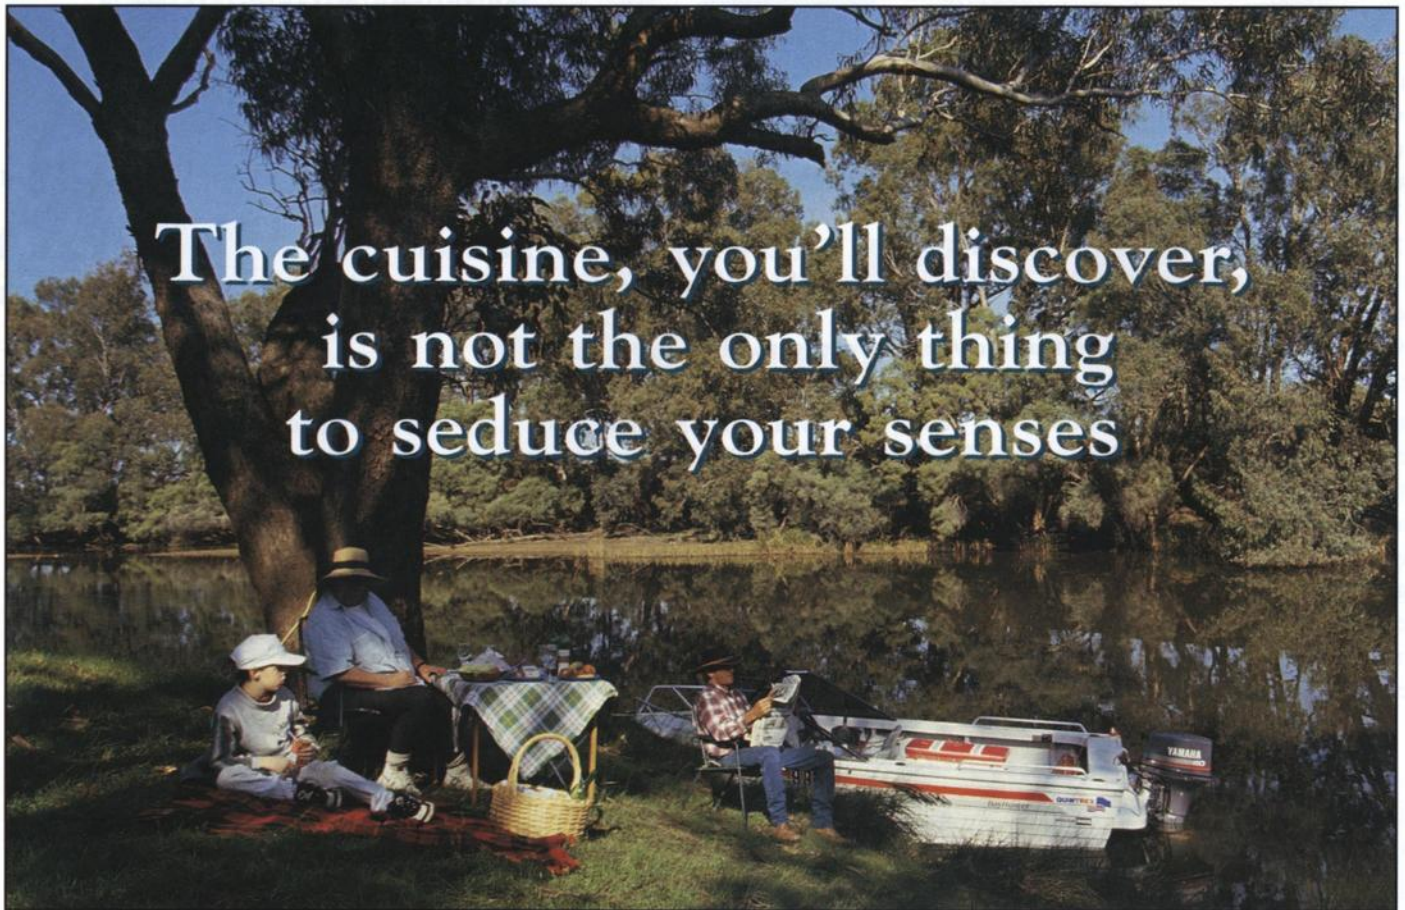

The underlying philosophy of SOPH3 is "keep it simple". There are no subs, members and visitors pay \$3 for the run and a feed, with beer at \$1 per can. This does change on special nights if T-shirts,

The cuisine, you'll discover, is not the only thing to seduce your senses

Picture this: Towering trees, a tranquil river, grazing horses, only the idle chatter of egret and parrot to break the peace.... the perfect setting.... and right at its heart, restored Redcliffe Barn's superb menu includes beverages and light snacks to chef-prepared three course meals.

Fine cuisine is only one of Sanctuary Park's attractions. A treetop walkway leads you to river's edge where you'll find nature trails and secluded picnic spots. Tour the park on a Clydesdale drawn wagon ride and visit the craft centre at Cooper's Cottage.

For children, there are play areas with forts and swings and fun karts and pony rides. And every weekend there's something new - archery, wine tasting, live music.....

There's so much to do at Sanctuary Park, you may never want to leave.

The good news is you don't have to.

Sanctuary Park is part of Ravenswood Sanctuary. With a championship golf course and other resort facilities being built, Ravenswood Sanctuary offers resort living in an idyllic country setting.

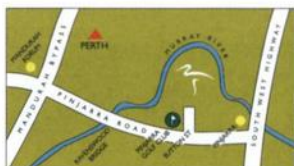

Blocks of land are available to suit every lifestyle. It's the perfect opportunity to revive the spirit and replenish the soul.

WEST AUSTRALIAN HASH HOUSE HARRIERS

The Numbats - South of Perth Hash House Harriettes - were founded on 5th September 1990.

It all started when a few girls were patiently waiting for their other halves (who belong to South of Perth Hash House Harriers) to complete the 1990 'Round the Bridges' or was it the 'City to Surf'?

Whichever one it was, there was enough time to chat and it was determined that "what was good enough for the gander was good enough for the goose". And so the idea was hatched - to start a

Harriettes club - south of the river.

There were 13 runners on the inaugural night, which was not a bad effort considering it was only advertised by word of mouth.

With this, the club was up and running well walking and gossiping at least!

9 years later, there are a number of the original members still running and numbers have swelled to just over 30.

So now it's "on on" into the year 2000 when we will celebrate our 500th run.

Hope to see you there!

South of Perth
Hash House
Harriettes

Bunbury Hash House Harriers was born into the 'Hash world' at 6pm, 19th March 1980, by Robin Bell and Helen Albion from Darwin Hash and Ted Bell from Casuarina Hash, making us a 4th generation of 'Mother Hash' in KL.

The following week, 14 hardy Hashers fronted and then numbers dwindled for a couple of weeks. From that small start, we now regularly have 50 to 60 each Wednesday at 6pm.

Next week will be our 1,032nd run and we will stand 'Delfsy' up for his 842nd.

Having the honour of being Western Australia's 1st Hash in the South West, joggers and walkers Hash for around 40-60 minutes each Wednesday and we supply mixed beers, soft drinks and food, all for the value packed sum of \$8.00 (men) and \$5.00 (women).

Winter runs are mostly road and summer road and bush.

We welcome any visiting "Hash House Harriers" if you look like coming down to our seaside city (only 2 hours south of Perth).

Bunbury Hash
House Harriers

The inaugural meeting was held in April 1994 by a group of female Hashers who decided they no longer wished to run yet still wanted the social companionship of the Hash, and so the Perth Hash Walkers club was established.

The following guidelines were established: The name was to be the Perth Hash Walkers 1. A Grandmistress, an On Sec and a Hash Flash were elected on an annual basis at the date the club was formed (called the AGM thereafter). It was to be a female club only. The walk nights were to be held on a Monday night at 6.30pm (excepting public holidays). The duration of the walk was to be approximately 60 minutes and the hare had the option to set a walk or just lead a walk on the night.

There was to be an annual fee of \$10.00 and a walk fee of \$3.00 per walk to members, of which \$2.00 would go to the hare for the food and \$1.00 to the club. As well, there was to be a traditional club red shirt to walk in.

The Hash traditions were to be followed eg: The

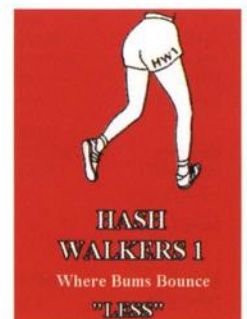

circle, down downs and charges and a song etc: The hare would supply a light supper for the evening and it would be a BYO drinks.

The First Walk: In May 1994 the first GM and On Sec were selected and a date for the first walk was Monday the 9th of May 1994. 16 Hash walkers attended the first (virgin) walk and now there is a planned walk sheet so every member knows when their walk is on. Since then the Perth Hash Walkers have grown and celebrated the club's 200th walk on the 14th of September 1998.

The club has traditional annual social weekends away at Lancelin, Gracetown, Mandurah and Rottnest, occasional sundowner nights out, as well as the 'Christmas in July' walk which all in all ends up a lot of laughs and fun.

The Club Slogan: "Our traditional red shirts are a sure sign that the "Perth Hash Walkers 1" are present."

If you are sick and tired of running or just would like to walk and have a talk and still be a part of Hash, give us a call for a walk night out.
